#### PRINCIPAL'S MESSAGE

It is my pleasure that the publication cell of our college under the IQAC is going to publish the second edition of our College News letter. This news letter will highlight all the activities accomplished by the college fraternity during the session of 2016-17 ranging from the academic activities to infrastructural development including extracurricular activities. This is the showcase which will help to understand us and to gauge the scale of progress taken place in different directions of our education system under a stipulated period of time. Moreover, it will encourage all the stakeholders of our college to do more for the up gradation of the college. At the same time we must have to prepare ourselves to face new challenges that are coming under the umbrella of globalization. We must have to do hard work for the enhancement of the quality of our inputs. We must have to make our products socially responsible. With these few words I again congratulate the team of publication cell of our college for publishing the news letter in time.

Dr. Prakash Sarma  
Principal  
M.C.College, Barpeta

#### Editorial.....

*One year has passed since the publication of the 1st Volume of the M.C. College News Letter. A year of achievements, remarkable events, activity and more... We are proud enough to bring out this 2nd Edition. We express our gratitude to the Principal, M.C. College, our staff including the members of the Publication Cell for all the inputs and efforts to compile and publish this issue of the News Letter. We welcome suggestions and advices from the well wishers.*
