Our Glory in the Field of Sports

Biraj Ojah

National Gold medalist and record maker in Javeline throw in 1977-78. He is a national referee and national trainer of athletics, technical officer in SAF Games. He was a state volleyball player and state referee of volleyball.

Manoranjan Dev Sarma

5th place in All India Open Bodybuilding Championship at Mysore held on 1987, Bharat Kishor - 1988, Org. Secy. of Indian Body Building Federation, Asstt. Gen. Secy. of Eastern India Body Building Association., National and international Judge & Gen. Secy. of All Assam Body Building Association.

Puspajyoti Ojah

1. Played for the President Team of India in the Federation Cup Volleyball Tournament held in Kottayam, Kerala in 1982
2. Attended the India Trial Camp for Asian Games at NIS, Patiala in 1982.
3. Represented Assam Women's Volleyball team in National Games 1979, 1981, 1982, 1986, 1989.
4. Captained Assam Womens Volleyball team in National games in 1985 and Natinal Chapiionship in 1981, 1987 and 1988.
5. Captained Assam Volleyball team and won the Championship at Dimapur in 1987.
6. Represented Assam in High Jump in Inter State Athletic Meet in 1980.
7. Represented Barpeta District in various Volleyball and Athletic Tournaments.
8. Badminton Champion, Best Thrower, Best Jumper and Best Girl Athlete in gauhati University week.

Krishna Das

Represented India in Under 19 Cricket Team.
Reprented Assam in Ranji Trophy , One Day and T20.
Represented Goa in Ranji trophy.

Arup das

Reprented Assam in Ranji Trophy , One Day and T20.
An important part of current Assam Ranji Team

MESSAGE FROM THE PRINCIPAL DESK

Maintenance of quality in higher education is the top most priority of all the institutions in 21st century. It is said that the employment opportunity is opened only for the qualified human resources. No doubt, the world is changing fast. The changing technology has made a new socio-economic environment in the world which has accelerated the growth of new needs and demand of the society.

We are aware that the UGC is the highest policy making body of higher education which has already established NAAC with a view to assessing the quality of higher educational institutions of our country periodically. The NAAC has already set 7 criteria as guidelines for all the higher educational institutions of our country in order to improve the quality of human resources. Madhab Choudhury College as a premier institution of Lower Assam is working constantly to improve the quality of education as per the guidelines of NAAC. Now our institution is getting results of the hard work. Last year one of our NSS students was selected for Republic Day Parade in New Delhi. Our NSS team has adopted a village near by our college. The NSS volunteers have performed different welfare programmes in order to have experiences of social services. We have arranged Inter College Volleyball competition under Gauhati University successfully.

Moreover, the college is going to implement CBCS(Choice Based Credit System) from the current session as per the guide lines of the Gauhati University which will provide opportunity to students to access more flexible courses as per their choices. However, the students will have to ensure 75 percent attendance in class room activities.

I hope our students will be benefitted surely from the resources available in our premier institution.

Dr. Prakash Sarma
Principal
M.C.College, Barpeta

ABOUT THE COLLEGE

Madhab Choudhury College (M.C. College), Barpeta, the fourth oldest college in undivided Assam, was established in the year 1939, when the entire India rose up vigorously against the colonial rule. The inception of this college was a manifestation of an aspiration of a few visionaries, who, imbued with the ideals of the freedom struggle, desired to contribute to building of a vibrant, resurgent, progressive and enlightened India, and with this purpose, wanted to create a generation shining with modern, secular and scientific education in this part of the country. Smt. Jibanlata Choudhury, a philanthropic lady of Barpeta, came forward to help these visionaries reach their goal, and generously donated Rupees ten thousand to start the process of establishment of this college. The untiring and selfless efforts of its founders, duly supported by public donations, emerged as winner, when this pioneering academic institution in the North-East India, named after the husband of this generous lady, was inaugurated by Bharat Ratna Loka Priya Gopinath Bordoloi, erstwhile 'Prime Minister' of Assam, on the 14th of July, 1939.

Since then, M.C. college has been undergoing a relentless process of growth. The college that was started with only twelve teachers and about thirty students is now a premier institution of higher learning with nearly seventy teachers and around two thousand five hundred students. Born as an arts college, M.C. College introduced its science stream in 1959. At present the determined effort of this college is to translate its promise to provide students of this locality with apt facilities for learning in all the streams into a reality.

LOCATION

The College is located at the heart of Satra Nagari Barpeta, the Headquarters of the District of Barpeta. It is nearly 95km from Guwahati and is well connected to the rest of Assam by road and railways. The Barpeta – Baghbor Road is in the east of the college, the FAA Medical College & Hospital road in the south, the Gandhinagar area in the west, and the municipal market and public bus stand in the north. The location of the college is away from the din and bustle of the town. Valuable trees and lush-green vegetation lend to the college a pastoral magnanimity and perfect platform for intellectual growth in natural ambience.

VISION

On the verge of completing eight glorious decades in the field of higher education, Madhab Choudhury College, Barpeta now gears up to set an identification for itself as a Teaching and Research Institution. While keeping itself ever ready to embrace the newest avenues of teaching-learning, the college has also started giving a significant emphasis on inculcating a research culture in the college, which is expected to be propitious to not only the learners but also the society at large. Keeping this goal in view, the college has decided to trail a multi-disciplinary approach, which the present academic scenario of the country is in much favour of. The college is eager to lift itself up to a level, in which it can provide a solid intellectual leadership.

Madhab Choudhury College, Barpeta always tries to keep itself well acclimated to the latest developments in the world of knowledge. Already dedicated towards dissemination of knowledge to the remotest part of the society, the college has its long-term goal to emerge as a strong base of knowledge. The college is also committed to parenting leaders in all the areas of human endeavour as per the demands of the society.

Situated at a culturally rich, but economically backward region, the college has set its vision to create an atmosphere in which the under-privileged can be pushed ahead.

This premier institution of higher education in Assam also fosters a vision to strengthen the ethical base among its learners, so that they can later on play a pivotal role in ingraining strong ethical values in the society.

MISSION

To attend to all the needs of the learners in accordance with their pursuits as well as the changing scenario of the higher education.

To adopt the updated modern teaching tools and methods of teaching-learning including the latest technological devices.

To create scopes and opportunities for overall development of the institution, so that it can cater to the demands as regards teaching-learning, research, innovative academic practices, leadership building and social awareness.

To inculcate among the faculty members and the learners a sense of commitment towards the cause of teaching-learning and all other matters pertaining to the institution.

To ensure optimum usage of the available resources so as to give a boost to the institution in pursuance of its goals.

COURSES OF STUDY

HIGHER SECONDARY PROGRAM

M.C. College conducts Higher Secondary courses of study under Assam Higher Secondary Education Council in both Arts and Science stream.

H.S. Science Stream-

Compulsory Subjects:

1. English
2. Modern Indian Language (Assamese) / Alternative English.
3. Environmental Education (For HS 1st year only)

Elective Subjects:

Any three subjects (and a fourth subject if the students want) from the following list.

- (I) Physics (ii) Chemistry (iii) Mathematics (iv) Biology / Anthropology / Computer Science and Application.

H.S. Arts Stream-

Compulsory Subjects:

1. English
2. Modern Indian Language (Assamese) / Alternative English.
3. Environmental Education (For HS 1st year only)

Elective Subjects:

Any three subjects (and a fourth subject if the students want) from the following list.

- i) Economics (ii) Political Science (iii) Education (iv) Logic & Philosophy / Geography (v) Advance Assamese /Anthropology / History / Computer Science and Application/ Swadesh Adhyayan

ADMISSION PROCEDURE FOR HIGHER SECONDARY COURSE

1. From this Year M. C. College is introducing the Online Admission process. For Admission form and other instructions the candidate must visit <http://www.mccollegeonline.co.in/>. In the website they must select 'Apply Online' and register themselves paying the required enrollment fees through the payments gateway
2. After registration the students will be able to download the prospectus . After going through the prospectus the students may log in to the fill up the online form.
3. Before filling up the online application form the candidates must keep ready soft copies of the required documents along with photo. The soft copies of the documents have to be uploaded while filling up the online application form.
4. The hard copy of the form generated after filling up the online form must be deposited in the College Office.

5. The Merit list will be announced in the dates mentioned elsewhere.

6. The selected candidates must be present in the interview for admission and they must produce the original copies of mark sheet of the H.S.L.C. or equivalent examination passed and certificate from the head of the institution last studied in. Student applying for reserve quota must produce the caste certificate of his / her. A selected candidate must get himself/herself admitted on the date of the interview by paying the necessary fees; otherwise he/she will forfeit the seat.

7. Applications are processed and finalized by the Admission Committee.

8. Students will collect identity cards on the date of admission.

9. If any candidate passed the H.S.L.C. or equivalent examination before the current year, he/she must submit a 'Gap Certificate' from a competent person at the time of admission.

10. In case of any dispute about any matter concerning admission, the decision of the Principal will be final.

11. STUDENTS WHO ARE APPLYING FOR THE FREE ADMISSION MUST UPLOAD THE SOFT COPIES OF INCOME CERTIFICATE AND A PHOTOGRAPH OF SAPLING PLANTATION AS PER GOVERNMENT OF ASSAM RULES.

12. WHILE CREATING THE LOG IN ID THE STUDENTS SHOULD USE A FUNCTIONAL 10 DIGIT MOBILE NUMBER.

DOCUMENTS TO BE FURNISHED AT THE TIME OF ADMISSION

At the time of Admission the Candidate must produce the original copies of the following documents. They must also submit (Self) Attested copies of these documents along with the hard copy of the application form:

- (i) Certificate from the Head of the Institution from where he/she passed H.S.L.C examination.
- (ii) Mark sheet of H.S.L.C examination.
- (iii) Certificate for SC/ST/OBC/MOBC/ PH(Physically Challenged) (for students seeking admission under reserved category)
- (iv) Address proof.
- (v) Photocopy of BPL card/ income certificate from Circle officer or Mouzadar. (if the candidate applies for free admission) and a photograph showing the plantation of a sapling.
- (vi) Migration Certificate (If the Candidate has passed H.S.L.C or equivalent examination from Boards other than SEBA)
- (vii) NCC Certificate/ Extra Qualification Certificate from competent authority if the candidate has applied under NCC or EC quota .

SOFT COPIES OF DOCUMENTS TO BE UPLOADED

Attested copies of the following documents must be attached with the application form:

- (i) Certificate from the Head of the Institution from where he/she passed H.S.L.C or equivalent examination.
- (ii) Marksheet of H.S.L.C equivalent examination.
- (iii) Certificate for SC/ST/OBC/MOBC/ PH (Physically Challenged) (for students seeking admission under reserved category)
- (iv) Address proof.
- v) Photocopy of BPL card/ income certificate from cricle officer or mouzadar (if the Candidate applies for free Admission)
- (vi) Migration Certificate. (if the candidate (if the candidate passed H. S. or equivalent examination from Boards other than AHSEC)
- (vii) Proficiency Certificate.

All the original copies of documents mentioned above must be produced at the time of admission. The applicant must also bring an unattested copy of his/her recent stamp size colour photograph for pasting on Identity Card.

- N.B.- 1. Applicant must be present with guardian at the time of admission.
2. Caste Certificate must be duly countersigned by the concerned authority.**

MC College follows the free admission policy of the Govt. of Assam.

Registration and Migration:

Registration under AHSEC is compulsory for all students after admission. Students from Boards other than SEBA shall have to produce Migration Certificates at the time of admission.

Procedure for Change of Combination of Subjects:

In the H.S. 1st year, if a student wishes to change the combination of subjects he/she took up at the time of admission, he/she can apply in a plain paper to the Principal within 15 days from the commencement of classes. Only on reasonable ground such cases may be considered on the basis of merit and availability of seats in the subject (s) the student newly applies for. Candidates must not approach the concerned departments for change of combination of subjects. Application will not be accepted after the stipulated date in any case. Change of combination of subjects is not allowed in the H.S. 2nd year classes, as per the regulations of A.H.S.E.C.

ADMISSION FOR UNSUCCESSFUL CANDIDATES :

1. Unsuccessful students of the Higher Secondary Class are generally not considered for regular admission. Of course, in the event of availability of seats, the college authority may consider admitting a few such students on the basis of their earlier academic performances.
2. Unsuccessful students who want to appear in the examinations conducted by Assam Higher Secondary Education Council again have to seek permission from the Principal by paying a fee in the office of the college (on Principal's notification) much before the time stipulated for submission of application forms for the examination. Those who have subject (s) with practical have to take admission as casual students and ensure the minimum required attendance in the practical classes.

FREE ADMISSION

M. C. College follows the free admission policy of Government of Assam. The students applying for free admission must produce all the related documents as prescribed by the Government of Assam at the time of admission. As per the present guidelines the candidate applying for free admission must produce the following documents at the time of Admission-

- a) Photocopy of BPL card/ income certificate from Circle officer or Mouzadar.
- b) Photograph showing the Candidate planting a sapling.
- c) Any other document, as asked by the government of Assam.

FEES FOR HIGHER SECONDARY COURSE

UNDERGRADUATE PROGRAMME

This year Gauhati University is launching Choice Based Credit System in undergraduate level. M.C. College offers General Programme under Gauhati University.

GENERAL PROGRAMME:

Following undergraduate general programmes are offered at M C College:

- (a) BSc with Honours**
- (b) BA with Honours**
- (c) BSc Regular (without Honours)**
- (d) BA Regular (without Honours)**
- (c) Bachelor of Computer Application (BCA)**

From the session 2019-20, M C College is going to introduce Choice Based Credit System (CBCS) at the undergraduate level as per the regulations published by Gauhati University.

The Choice Based Credit System (CBCS)

BA/BSc with Honours and BA/BSc Regular (without Honours) programmes in the CBCS will have courses spread across six-semester. A typical semester will comprise a minimum of 15 to 18 weeks of academic work that will translate into 90 actual teaching days. Two consecutive (one odd and one even) semesters will make up an academic year. An undergraduate programme (BA/BSc) shall be of six semesters covering three calendar Years.

Duration of the Odd Semesters (First, Third and Fifth): June to November

Duration of the Even Semesters (Second, Fourth and Sixth): December to May

• Each student must take admission in three consecutive Academic Sessions starting with the first semester. Students who do not enroll in the Second Academic Session will not be eligible to take admission in the Third Academic Session.

• The minimum time requirement to acquire a BA/BSc degree is three years. The maximum time allowed to complete the programme is six years.

• A student willing to admit in a BA/BSc programme will have to study different types of courses as per the undergraduate CBCS regulations of Gauhati University.

• The content of the courses will be described in detail in the syllabi. Every course will comprise lectures, tutorials, laboratory work, field work, project work or any other activity that addresses the learning objectives of the course.

• Each course will have credits, assigned on the basis of course related activities, which a student will have to earn through satisfactory fulfillment of the academic requirement of the course.

• A student in a BA/BSc with Honours programme will have to earn 148 credits while a student in a BA/BSc Regular (without Honours) programme will require to earn 132 course credits. Students in a Honours program can opt to earn additional credits by undertaking additional elective courses subject to the condition that the total number of course credits does not exceed 160 credits. For a student in a regular program, this credit ceiling will be 140 credits. The credits earned beyond the mandatory program requirement will not be taken into consideration in computation of the grade but will be recorded in the grade sheet.

• For the purpose of computation of work-load the following mechanism is adopted:

1 Credit = 1 Theory period of one hour duration

1 Credit = 1 Tutorial period of one hour duration
1 Credit = 1 Practical period of two hour duration

Requirements for an undergraduate degree

The following table sums up the requirements for successful completion of under-graduate degree in Gauhati University –

DEGREE	MINIMUM REQUIREMENTS
BA with Honours BSc with Honours (all disciplines)	<ul style="list-style-type: none">• 14 core papers in the discipline chosen• 2 Ability Enhancement Compulsory Courses (AECC)• 2 Skill Enhancement Courses (SEC) (minimum)• 4 Discipline Specific Elective (DSE) courses• 4 Generic Elective (GE) papers
BSc Regular	<ul style="list-style-type: none">• 4 core papers (DSC) each in three disciplines of choice• 2 Ability Enhancement Compulsory Courses (AECC)• 4 Skill Enhancement Courses (SEC) (minimum)• 2 papers each from a list of Discipline Specific Elective (DSE) papers based on three disciplines of choice selected above, respectively.
BA Regular	<ul style="list-style-type: none">• 4 core papers each in two disciplines of choice• 2 core papers each in English and MIL/Alt English respectively.• 2 Ability Enhancement Compulsory Courses• 4 Skill Enhancement Courses (minimum)• 2 papers each from a list of Discipline Specific Elective papers based on the two disciplines of choice selected above• 2 papers from the list of Generic Electives papers.

Subjects/disciplines/courses offered in the Undergraduate programmes

1. BSc with Honours :

- A student can offer Honours in any one of the six Science subjects Physics, Chemistry, Mathematics, Zoology, Botany, Anthropology and Geography subject to the fulfillment of requisite marks and combinations in the H.S. or equivalent examination.
- Ability Enhancement Compulsory Courses (AECC): English Communication MIL and Environmental Science.
- Core Courses and Discipline Specific Elective courses (DSE) as per syllabi published by Gauhati University
- List of disciplines/subject to study Generic Elective (GE) courses and the list of Skill Enhancement Courses (SEC) will be disclosed in due course.

2. BSc Regular

- Students offering BSc Regular programme can choose any one of the following combinations of disciplines subject to the fulfillment of requisite marks and combinations in the H.S. or equivalent examination:

Combination	Code
Physics, Chemistry, Mathematics	BSR-01
Chemistry, Botany, Zoology	BSR-02
Physics, Mathematics, Computer Science	BSR-03
Chemistry, Mathematics, Computer Science	BSR-04
Economics, Mathematics, Computer Science	BSR-05
Physics, Mathematics, Geography	BSR-06
Geography, Botany, Zoology	BSR-07
Economics, Geography, Mathematics	BSR-08

- Ability Enhancement Compulsory Courses (AECC): English Communication and Environmental Science.
- Core Courses(DSC) and Discipline Specific Elective courses (DSE) as per syllabi published by Gauhati University
- List of Skill Enhancement Courses (SEC) will be disclosed in due course.

3. BA with Honours

•A student can offer Honours in any one of the ten disciplines/subjects English, Assamese, Economics, Political Science, Education, Anthropology, Mathematics, History, Geography, and Philosophy.

•Ability Enhancement Compulsory Courses (AECC): English Communication /MIL Communication and Environmental Science.

•Core Courses and Discipline Specific Elective courses (DSE) as per syllabi published by Gauhati University

•List of disciplines/subject to study Generic Elective (GE) courses and the list of Skill Enhancement Courses (SEC) will be disclosed in due course.

4. BA Regular

•Students offering BA Regular programme can choose any one of the following combinations of disciplines:

Combination	Code	Combination	Code
Pol. Science, Economics	BAR-01	Philosophy, El. Assamese	BAR-10
Pol. Science, Education	BAR-02	Geography, Mathematics	BAR-11
Pol. Science, History	BAR-03	Geography, Education	BAR-12
Pol. Science, Anthropology	BAR-04	Geography, History	BAR-13
Pol. Science, El. Assamese	BAR-05	Geography, Anthropology	BAR-14
Philosophy, Education	BAR-06	Education, History	BAR-15
Philosophy, History	BAR-07	Education, Anthropology	BAR-16
Philosophy, Anthropology	BAR-08	Education, El. Assamese	BAR-17
Mathematics, Economics	BAR-09	Education, Economics	BAR-18

Compulsory Courses:

- (i) English
- (ii) MIL (Assamese)
- (iii) Ability Enhancement Compulsory Courses (AECC):
English Communication /MIL Communication and Environmental Science.

- Core Courses(DSC) and Discipline Specific Elective courses (DSE) as per syllabi published by Gauhati University
- List of disciplines/subject to study Generic Elective (GE) courses and the list of Skill Enhancement Courses (SEC) will be disclosed in due course.

In order to study courses in the corresponding discipline/subject in the left hand column, a student must have secured pass marks in the discipline(s)/subject(s) mentioned in the right hand column below in the Higher Secondary Examination :

Mathematics (Regular, GE)	Mathematics
Mathematics (Honours)	Mathematics
Physics (Regular, GE)	Physics, Mathematics
Physics (Honours)	Physics, Mathematics, Chemistry
Chemistry (Regular, GE)	Chemistry
Chemistry (Honours)	Chemistry, Physics, Mathematics
Botany (Regular, GE)	Biology
Botany (Honours)	Biology, Chemistry
Zoology (Regular, GE)	Biology
Zoology (Honours)	Biology, Chemistry

Credits and Attendance

To earn credit in Core Courses, Discipline Specific Elective (DSE) Courses, Generic Elective (GE) Courses, Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC), students must have at least 75% attendance. The attendance of all courses shall be counted and accounted for in full while determining if the student has met the minimum attendance norms of Gauhati University.

- Attendance means attending direct instruction hours, i.e., theory classes, seminars, workshops, practical, internships, educational trips, field works, project works etc.
- Learning in distance mode or self learning by library works or by internet hours will not be counted as attendance, unless it is specifically identified and prior approved by the University.
- Basis for calculation of attendance: The basis for the calculation of the attendance shall be the number of hours of contact prescribed by the University.

In case a student fails to have at least 75 percent attendance, he/she will not be allowed to sit for the end semester examination and hence have to repeat the concerned semester after the successful completion of the subsequent semesters.

(For example, if a student fails to secure the necessary credit in the first semester, then he/she can register in the second and subsequent semesters. And only after the successful completion of the sixth semester, can he/she repeat the first semester to earn the deficit credits.)

Leave of Absence

A student having less than 75% attendance will not be allowed to appear in the End-Semester Examination (ESE) except in the following cases:

(i) Medical leave: Any student securing less than 75% due to medical reasons will have to apply for medical leave in a prescribed form (within seven days from the date of absence) accompanied by clear reason(s) for absence to the authorized functionaries. The completed form will have to be supported by a Medical Certificate from an authorized medical practitioner. The principal will examine each case of medical absence individually and decide whether it merits exemption. However, the minimum attendance after accounting for medical leave granted will still have to be 75%. Under no circumstances will a student be allowed to appear for the end semester examination or continue with the programme if his/her attendance, after consideration of medical leave, falls below 75%. Such consideration will be subject to the condition that the student must have a minimum of 60% attendance.

(ii) Co-curricular activities (CCA) leave: For absence due to participation in prescribed co-curricular activities (e.g. NCC, NSS, Youth festivals, sports etc.), the claim for CCA leave will have to be made in a prescribed form and supported by authenticated certificates from the concerned authorities. Only those students, whose names are on the list of students made available by the principal as being allowed to participate in such activities, will be considered for CCA leave. The principal will examine each individual case of such CCA leave applied for, and decide whether it merits exemption. However, the minimum attendance after accounting for CCA leave granted will still have to be 75%. Under no circumstances will a student be allowed to appear for the end semester examination or continue with the

programme if his/her attendance, after consideration of leave for co-curricular activities, falls below 75%.

Evaluation and Examination:

A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course/paper will be based on the following:

- A. Internal Assessment (IA)
- B. End Semester Examination (ESE)

A. Internal Assessment (IA): IA will ideally account for 20% of the total marks allotted to a course/paper.

- Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or midterm examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.

- 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:

- a) Class attendance from 76% to 80%..... 1 mark;
- b) Class attendance from 81% to 85%..... 2 marks;
- c) Class attendance from 86% to 90%..... 3 marks;
- d) Class attendance from 91% and above..... 4 marks.

- Rest 30% of the marks allotted for IA will be distributed and awarded on the basis of performance of the students on the following criteria:

- a) Home assignments,
- b) Seminar/Group discussions,
- c) Field work,
- d) Performance in co-curricular and extra-curricular activities.

B. End Semester Examination (ESE):

The ESE will comprise of 80% of the total marks earmarked for a course. The ESE shall be of three hours duration for a course whose ESE component exceeds 50 marks. For odd semesters, ESE will be held in the month of November and for the even semesters, the examination will be held in the month of May.

- Examinations, whether internal or external, theory or practical, would be counted separately for the purpose of considering a student passed or failed.

- If a student does not appear in a paper (internal or external, theory or practical) in an examination, the student will be considered failed in that paper. Any paper where a student fails will be called an 'Arrear' paper of that student.

- In case a student fails in any one or more papers in an end semester examination, she/he can appear in all the papers in which she/he failed.

- A student having 'arrear' in external examination, either in theory or practical papers, shall be allowed chance to clear the same in the next available end-semester examinations, with the following restrictions:

No student will be allowed to appear in the first and fifth semester examinations simultaneously. No student will be allowed to appear in the second and sixth semester examinations simultaneously.

- The first and the fifth semester examinations will be held simultaneously, while the third semester examination will be held separately. Similarly, the second and the sixth semester examinations will be held simultaneously, while the fourth semester examination will be held separately.

- A student may be allowed once to reappear in any one of the honours theory papers in each of the first, second and third semesters for betterment of marks if the candidate secured 'pass marks' in all papers. Students will be allowed to reappear only in the next similar examination. Marks obtained either in the earlier examination or in the subsequent examination, whichever is higher, will be awarded to the student.

- No betterment will be allowed in internal and practical examinations in any semester.

- A student must pass all her/his semester examinations, including 'arrear' and 'betterment' chances within six years from the date of admission to the first semester. In this context, six years means six academic sessions. In the event of a student failing to do so, she/he will have to take fresh admission in the first semester. Subject to the said condition, a student who could not appear or who failed in any semester examination will be allowed chance to clear the same as follows:

- (i) First semester with regular third semester examination.
- (ii) Second semester with regular fourth semester examination.
- (iii) Third semester with regular fifth semester examination.
- (iv) Fourth semester with regular sixth semester examination.

- There shall be no scope for a student to appear as Private Candidate in any course.

ONLINE ADMISSION PROCEDURE FOR UNDERGRADUATE PROGRAMME

1. From this Year M. C. College is introducing the Online Admission process. For Admission form and other instructions the candidate must visit <http://www.mccollegeonline.co.in/>. In the website they must select 'Apply Online' and register themselves paying the required enrollment fees through the payments gateway

2.. After registration the students will be able to download the prospectus . After Going through the prospectus that the students must log in to fill up the online form.

3. Before filling up the online application form the candidates must keep veady soft copies of the required documents along with photo. The soft copies of the documents have to be uploaded while filling up the online application form.

4. The hard copy of the form generated after filling up the online form must be deposited in the College Office.
5.The Merit list will be announced in the dates mentioned clswwhere

5. The selected candidates must be present in the interview for admission and they must produce the original copies of mark sheet of the H.S.or equivalent examination, H.S. or equivalent examination, and certificate from the head of the institution last studied in. BCA **(REGULAR UNDER GAUHATI UNIVERSITY)**

The Computer Science Department of M.C. College undertakes BCA regular course under Gauhati University.

- Admission to the first semester will take place in the month of July and regular classes will start in the first week of August.
- The duration of the course is 3 years (6 Semesters).
- Eligibility: The applicant must pass HS. or equivalent examination from any stream.
- The College may set cut-off marks whenever it seems to be reasonable or may hold admission test f or the final selection of candidates.
- Students who are not from HS. Science stream will have to take up a bridge course in addition to the normal courses in the 1st semester.
- For details the candidates may contact Head, Department of Computer Science.

Total Number of Seats: 30 seats
Fee: Rs. 10,000 per semester

POST GRADUATE PROGRAMME

POST GRADUATE PROGRAMME

M.A. In Assamese (Regular)

THE DEPARTMENT OF ASSAMESE RUNS THE M.A. IN ASSAMESE
UNDER THE GAUHATI UNIVERSITY.

Number of Seats: 20

Eligibility: *B.A. with Assamese Major from any recognized University.*

Admission Procedure: *Admission will be strictly on the basis of entrance exam conducted by the department.
Date of Entrance Examination: Entrance Examination for M.A. in Assamese will be held in the first week of August.*

The Department of Botany conducts

M,Sc in Botany (Regular)

Under Gauhati University

Total Number of seats -10.

Admission will be held on the Basis of Entrance Test.

For Details The Department of Botany may be contacte

P.G.D.CA.

Course (Regular)

(UNDER GAUHATI UNIVERSITY)

1. The duration of the course is one year consisting of two Semesters.

2. Admission:

Admission to the first semester course shall take place twice in a year in the months of June and December. For the batch admitted in June, the 1st semester classes will start on the 1st July and the 1st semester examination shall be completed by the middle of December. For the batch admitted in December, the 1st semester classes shall start on the 1st January and the 1st semester examination shall be completed by the middle of June. The second semester classes and examinations will also follow the same pattern. Colleges that are not interested in running two semesters simultaneously may opt for admitting students once in a year either in June or in December.

3. Eligibility:

A student with a bachelor's degree of 10+2+3 pattern in any discipline is eligible for the course. However the colleges may have their own cut-off marks which they find to be suitable for them and/or hold admission test for the final selection. As mentioned in the syllabus, preferably students having Mathematics at the Higher Secondary level be admitted to the course OR a special bridge course may be designed by the Colleges individually for students not having Mathematics at the Higher secondary level.

4. Fee: Rs. 12,000.00

PROFESSIONAL COURSES:

(1) Community College, M.C. College, Barpeta

Sponsored by UGC, (Agricultural Skill Development Council)

A two year Diploma Course on Fish Breeding

A community college is a type of educational institution. It provides work force education. In India 98 community Colleges are recognized by UGC. In M.C. College, Barpeta, Community college was established in the year 2016-2017. The Community College is sponsored by UGC (Agricultural Skill Development Council). It is a two year Diploma Course on Fish breeding Community Colleges (CC) serve the followi

Community Colleges (CC) serve the following needs -

- Career oriented education and skills to students interested in directly entering the workforce;
- training and education programmes for local employers;

Here We are starting two year Fish breeding Courses with four semesters.

- The syllabus curriculum was aligned by Agricultural Skill Council of India.
- Assessment of the 1st semester is fixed on 19 April by Agricultural Skill Development Council of India.
- Community Colleges offer courses that are a mixture of knowledge and skill components

Community colleges are an integral part of education system across the world:

- This Colleges across the world have been working towards the improvement of traditional education system

They are also working towards increasing the acceptance of skill oriented courses among employers.

- These colleges provide education above the secondary level and below the degree level with appropriate skills keeping in view the needs of local industry and community thereby leading to gainful employment and option for horizontal and vertical mobility.

- So this College brings hope to the present rural society, as it provides skill training ,which traditional education cannot do, in solving unemployment problem among youths of the rural India.

Applicants are invited for the admission in UGC sponsored two years Diploma course on Fish Breeding (Hatching Worker). Admission will be held depending upon the following criteria.

- 1.Seat capacity is fifty (50).
- 2.Minimum educational qualification is H.S. passed (Science/ Arts/ Commerce).
- 3.Age limit is 18.
- 4.The course consist of 4 (four) semester
- 5.Examination and Evaluation will be conducted by Skill Council of India (SCT)/ Agricultural Skill Council of India (ASCI), New Delhi, India.

6.Scholarship will be provided.

7.Admission fees will be Rs. 2500 and per semester Rs.500 would have to be paid as tuition fee.

Documents required for admission

- 1.Self attested copies of mark sheets and certificate.
- 2.Self attested copies of Registration certificate.
- 3.Caste certificate (If any).
4. Admit card of the respective exam.

Medium of instruction

The medium of instruction is English.

Identity card

After admission, the college will issue identity card to each student. Students must carry the identity card with them in the college campus.

Community college, M.C. College, Barpeta has organized a University Grants Commission (UGC) sponsored National Seminar on "Fisheries and Fish breeding" on 26th and 27th March, 2018 in the college premises.

For any Information the Nodal Officer can be contacted. **Nodal Officer : Dr. Ranjit Hazarika**

2. Diploma/certificate in Computer Application (DCA) :

- (i) Course Duration : 6 months.***
- (ii) Eligibility: HSLC Passed***
- (iii) No. of Seats: 10 Seats***
- (iv) Fee: Rs. 6000/-***
- (v) Admission Procedure: First come first served basis.***

3. Advance Diploma in Computer Application (ADCA):

- (i) Course Duration: 1 year.***
- (ii) Eligibility: HSLC or Equivalent Examination Passed***
- (iii) No. of Seats: 15 Seats***
- (iv) Fee: Rs. 12000/-***
- v) Admission Procedure: First come first served basis.***

4. Diploma Courses in Agrotechnology:

The main aim of this course is to train the youth in some selected areas depending upon the need of the rural agro-technology. This course will help to alleviate the problem of rural poverty and massive unemployment and create self employment opportunities .

Course length - 1 year

Level - Undergraduate

Seat Capacity -20 nos.

Courses offered : a) Bee-Keeping b) Aquarium Construction
c) Soil & Water testing d) Chitranella oil production.

Fee- Rs. 2001/- (For each course) (Field visit & Exam. fee extra)

Eligibility — H.S.or equivalent examination passed with at least 40% marks from any stream.

Medium of instruction — English / Assamese

Successful candidates will be eligible for financial assistance as Loan from Bank to open small scale industry. Students of the regular B.A./ B.Sc courses are also entitled to pursue the above courses.

5. Certificate course in Remote sensing, GIS & GPS

The demand of map design & planning education courses approved as certificate in GIS (Geographical Information System) and remote sensing. This is a professional course, it helps students and candidates to prepare for job oriented works. Under the course various mapping design and planning activities are dealt with. Disaster management, soil conservation, planning etc. For GIS& Remote sensing qualification and training is the strength& opportunity of the course.

(i) Course Duration : 3 months.

(ii) Eligibility: HSLC Passed

(iii) No. of Seats: 20 Seats

(iv) Fee: Rs. 1500/-

(v) Admission Procedure: First come first Served basis.

6. Make-up and Spa Therapy Course.

A three month certificate course with collaboration from National Skill Development Corporation (NSDC) and Signature TCAI (Guwahati).

(I) Course Duration : 3 months.

(ii) Eligibility: HSLC Passed

(iii) No of Seats: 75 Seats

(iv) Age- 15 years and above

(v) Admission Procedure: First come first served basis.

FACILITIES :

Arts Block: It is a combination of three buildings one of which is considered as the Heritage Building. The Buildings are divided into different blocks to use as class rooms. Some of the classrooms are named as Kakati Hall, Bagaria Hall, Radhakanta Das Hall and P.K. Talukdar Hall in honour of past Principals and prominent donors of the college.

Science Block: This Block is a combination of two buildings. One building houses the Depts. of Chemistry and Physics and the other two-storied building covers two Departments, the ground floor is the Dept. of Zoology and the first floor is the Dept. of Botany. All the science departments have laboratories with all essential equipments/ chemicals/ specimens required to deliver and demonstrate practical knowledge of science. Department of Computer Science is well equipped with 30 computers and an air conditioned laboratory.

1. KAMESWAR DAS LIBRARY (CENTRAL LAIBRARY)

The Central Library of the College is named After Kameswar Das, the founder Principal of the College.

1. Opening and closing of library:

- a) Working days: 6 days in a week.
- b) Working hour: The library remains open from 10a.m. to 5p.m. on all working days.

2. Persons entitled to use the library:

- a) Regular students of the college.
- b) The members of the teaching staff
- c) The staff of the library, office and laboratory of the college.
- d) Other person approved individually by the principal.

3. Conditions for borrowing books:

- a) The students studying in the different classes of the college are entitled to borrow three copies of books at a time for use at home for 15 days. Borrowed books may be re-issued if required for a longer time and if not wanted by another reader.
- b) The members of the teaching staff are entitled to take out ten0 volumes at a time for a month.
- c) The staffs of the library, office and laboratory are entitled to take two books at a time for a month.
- d) Under special circumstances, the persons enumerated above may with the sanction of the Principal/ Librarian, take out more than the prescribed number of volumes.

STUDENTS' WELFARE AND UTILITY SERVICES

Student's Aid fund : Students' Aid Fund offers fee relaxation/financial assistance to Rank Holders in HSLC/AHM Class XII Exams, students of BPL families, students of financially unsound families of reserved categories under the Rules and Regulations of the college. Students will have to apply to the Principal for getting such assistance.

Platinum jubille Award : Students securing highest aggregate marks in Major in both Arts and Science at the under graduate level are be conferred upon with the Platinum Jubilee Award.

Health Counseling Cell and Health Center : The 'Health Counseling Cell' of the college offers counseling and other services relating to health matters and also organizes various programs concerning health. Moreover, there is a Health Center at the college, where free health check-up of the students is done once a week by an experienced doctor. The "Health Counseling Cell" takes prompt action when any health-related problem arises in any student during his/her stay at the college.

Career Guidance and Counseling Cell : The Career Guidance and Counseling Cell of the college guides the aspiring students in matters of diferent fields of higher education and employment and offers counseling to them in various problems and other matters concerning them.

Remedial Coaching : Students of Degree classes, belonging to Scheduled Castes, Scheduled Tribes and Minority Communities are given special coaching under the UGC sponsored Remedial Coaching Scheme. In the past sessions, many students from the said categories were benefitted by this coaching.

Internet facility : The College campus is WiFi enabled. The central library also has internet facility. Students can access this facility free of cost during working hours.

CCTV Surveillance: The College campus is under 24 hour CCTV Surveillance. More than 50 cameras keep 24 hours vigil in and around the campus

Travailing Concession : Travelling concession suchas Railway concession is given to students who go for educational tour conducted by the college authority.

Book Bank: The Karneswar Das Library has a 'Book Bank', from which books are given to regular students belonging to the following categories:

- (i) The H.S. 1st year students who secured 80% of marks in the H.S.LC. Examination.
- (ii) The H.S. 2nd year students who secured 'A' grade in the H.S. 1st year Examination.
- (iii) Two meritorious students of each major and general-course subject in Degree 1st, 2nd and 3rd year classes, on the basis of the result of the last examination.
- (iv) Students of Degree 1st, 2nd and 3rd year classes, from economically backward families, who secured the 1st Division in the last examination.
- (v) Students belonging to ST, SC and OBC, who secured at last 55% of marks in the last examination.

Departmental Library: All the departments of the college have their own libraries with a good stock of text books and reference books in the respective subjects. Students can also borrow books from departmental libraries. The departments follow their own rules in providing books to the students.

Multi-gym & Iron-gym: In Order to provide the students with adequate facilities for their physical and emotional well being, the college has one multi-gym and one iron-gym equipped with modern exercising gadgets and equipments backed up by professional staff. These two units of gymnasium help the students towards management of stress as well as preparing a healthy mind in a healthy body. Students can join the gyms as per the rules and regulations formulated by the college authority.

Drinking water: Pure drinking water facility for the M.C. College fraternity is made available by installing Aquagards and water coolers in some specific positions inside the college campus.

Scholarship: The students can avail the following different types of scholarship-

- | | | | |
|---------------------------|---|----------------------|---------------------|
| (a) Minority Scholarship. | (b) SC Scholarship, | (c) OBC Scholarship, | (d) ST Scholarship, |
| (e) Labour Scholarship, | (f) Assam Higher Secondary Education Council Scholarship, | | |
| (g) UGC Scholarship. | (h) Special Scholarship by the ACTA, M.C. College Unit. | | |

The details of the above scholarships will be notified by the College Office in due time.

Sports and Games: Students are always encouraged to take part in sports and games. Our college has sufficient facilities for many indoor and outdoor games such as football, volleyball, cricket, badminton, basketball, table tennis etc. Students of M C College have shown their potential in many sports such as cricket, volleyball etc. at the state and the national level.

CLUBS AND ASSOCIATIONS

NCC Unit: M.C. College NCC unit is a sub-unit of 7 Assam Bn. NCC, Dhubri. The NCC unit of this college has two wings - Boys and Girls. The cadets of both the wings of this college attended national level camps, prestigious camps like Republic Day camp in New Delhi, Special national integration camp and brought laurels to the college many a time, apart from getting awarded in the Independence Day & Republic Day parades. Many of them also got 'B' and 'C' certificate from the NCC authority.

NSS Unit: National Service Scheme (NSS): The NSS unit of the M.C.College is an active unite having more than 200 volunteers. The volunteers of the unit participated in a number of NSS programmes along with Regional and National programmes including Lok Sabha Election Awareness rally, Barpeta District Youth Convention and Cultural Programme, Swachh Bharat Abhiyan, International Day of Yoga, Republic Day and Independence Day Ceremonial Parade, Barpeta District Emergency Management Exercise, Bongaigaon Youth Conclave, Youth Leadership and Community Development Training, Emergency Management Training, Digital Banking Awareness Campaign, Workshop on Kamrupi Lokogeet at Barpeta Girls' College, 19th National Youth Festival in Guwahati, 2nd North East National Service Scheme Festival in Meghalaya, Pre-republic Day Parade Camp at Bodoland University, Republic Day Parade Camp at New Delhi etc. Two volunteers of this unit namely Aditi Sarma and Safikul Islam were participated in the prestigious Republic Day Parade at

New Delhi in 2016. The unit has a colourful uniform including musical band. Ajit Kumar Ojah of Anthropology Department is the Programme Officer of this unit.

Bharat Scout & Guide (Rover and Ranger) Unit : The Bharat Scouts and Guides is the National Scouting and Guiding association of India. M.C.College, Barpeta has one unit of Bharat Scouts and Guides Rovers & Rangers.

Red Ribbon Club : The Red Ribbon Club was Setup in M.C. College Barpeta on 29th Feb 2015 under the “Assam State AIDS Control Society”. The Club has 18 Executive Members and 115 members (80 Male & 35 Female) All the members of the Club are striving to reach fulfil the goal.

Football Club: A Football Club was formed in M.C.College on 05-02-2017 where all together 35 Players have been given regular training with on experienced coach. The objective of the club are

- a) To provide best football training in Students
- b) To provide fulltime platform in Football
- c) To develop spirit of play in Students
- d) To develop physical , Mental and Social ability in Students
- e) To Develop Mental qualities in Students

M. C. College Sports and Music Club: In 2015, the M.C.College has constituted a Sports and Music Club for the improvements of the Sports and Music skills of the students. The aims of the Sports and Music Club are published sports bulletin, conduct training on different sports, promote the students for Inter-college sports, Regional and National Sports, keeping the records of the prize owner students etc. Ajit Kumar Ojah of Anthropology Department is the Coordinator of this club.

NSS Adopted Village: The Nasatra of the Patbaushi area of Barpeta District is the adopted village of the NSS unit of M.C,College. A population survey was conducted in this village. Swachh Bharat Abhiyan was also conducted in the Patbaushi Satra. The Village Head Man (Gaonbudha) of this area is the member of Advisory Committee of the NSS unit of M.C.College.

Students' Union: M.C. College has a Students' Union with mandatory membership of every regular student of the college. The executive committee of the M.C. College Students' Union is formed with the representatives elected by the students through election held annually as per the directives of the Supreme Court of India. The functions and activities of the Students' Union are guided and controlled by a written constitution. Besides helping the college authority in maintaining a healthy academic atmosphere at the college, the Union is required to organize programmes for physical, intellectual and moral uplift of the students. It also publishes a magazine annually.

Other Forums for Co - Curricular Activities: Several platforms are provided to the students of M.C. college to showcase their talent and ability in the field of science and literature. Some forum, clubs also take care of spreading social awareness on various issues of national importance. A few such organization are:

- (i) Blood Donation Club
- (ii) Sports Club
- (iii) Planning Forum
- (iv) Asomiya Sahitya Chora.
- (v) Red- Ribbon Club

Departments

DEPARTMENTS

DEPARTMENT OF ANTHROPOLOGY:

Departmental History : The Department of Anthropology, Madhab Choudhury College, Barpeta was established in the year 1964 with Higher Secondary and General Course (Pass Course) at the Degree Level. This is the pioneer institute of the entire lower Assam excluding Guwahati to introduce the subject. The founder head of the Department was Dr. Anil Dev and Dr. Dwipen Barua was the first demonstrator of the Department. The Major course was started in the year 1992. Therefore the Department has a long standing history with a good academic record. Many students both from the H S final and Degree level have come out with flying colours from this department. The Department has its own museum named Gajendra Memorial Anthropological Museum donated by his family established in the year 1994.

Museum: The museum is a good repertoire of prehistoric tools, bones and skulls of both primates and modern man including many other ethnographic materials. In 2016, the Department has shifted to newly constructed building having separate Museum cum Seminar Hall and Departmental Library, well furnished staff common room, laboratory and class room.

Faculty Members :

BOTANY DEPARTMENT

Year of Establishment -1959

A brief history: Being one of the oldest departments in M.C. College, Barpeta, the Department of Botany has passed a glorious period of about 57 years since its establishment as an Under Graduate department in 1962. However, the department came into existence in early 1959 along with the Intermediate of Science (I.Sc.) course under the prestigious departmental headship of D. Shukla. Since that very beginning, the department has been engaging itself in imparting education among the students and local people. The department of Botany initiated to introduce Honours course (now-a-days “Major”) in the subject in 1970 and since then the course has been successfully running till date offering quality higher education to the students under the curriculum prescribed by the Gauhati University, Guwahati. Since the 2018 Botany Department has been successfully conducting M.Sc (Regular) in Botany under Gauhati University.

Departmental library: The library is resourceful with a good number of text books, reference books, practical hand books, journals and other periodicals and serving for the benefit of students by fulfilling their needs. Books are regularly issued as per the need of the students.

Extension/ Extra-curricular activities and Field tours conducted by the Department: The department arrange field tours on regular basis for the betterment of the students as per the syllabus besides conducting several extension programmes and extra-curricular activities.

Apparatus/Equipments/ Specimens/ chemicals available in the Department: The department possesses 3 well equipped and sophisticated laboratories to fulfil the need of the under graduate as well as Post Graduate students. The apparatus and equipments have been installed in the department to meet the demand of both academicians and researchers with cutting edge technology. The botanical specimens are well maintained both in the in situ and ex situ condition.

Departmental resources: Wall Magazine (TARULATA), Preparatory room, Herbarium & Museum, Ornamental potted Plants, Botanical garden, Hygienic drinking water plant etc.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry was established in the year 1959. Since then the department has been running the undergraduate course in Chemistry along with the Higher Secondary course. Every year students passing out from the department get admission into PG courses in the reputed institutes like Gauhati University, NEHU, Assam University, NIT Silchar, etc.

The Department has four chemistry laboratories –two for degree classes, one for the HS classes; the fourth one, which is usually used for research purpose, is equipped with instruments like UV-Visible spectrophotometer, incubator, high performance computers, etc. Department has a library with a collection of more than 250 books including most of the internationally recognized best text books for undergraduate level Chemistry.

The Department currently has a highly motivated team of four Associate and Assistant Professors. Currently three faculty positions are lying vacant; two of them are going to be filled up soon. The faculty members update themselves through research and by participating in refresher courses, Seminars etc. All the faculty members have publications in reputed international and national journals. Three of the faculty members have recently completed their Minor Research Project funded by UGC.

Activity:

(i) Department organizes State Level Chemistry Olympiad every year in collaboration with Society for Chemical Education, Assam for the students of Class IX, X, XI and XII.

(ii) Department organizes remedial classes for the students who have arrear/back in the Semester final examinations.

(iii) Department regularly organizes seminar presentations by the students.

Research activity:

In addition to the daily routine classes, faculty members are also engaged in research activity. Their research interests include water and soil analysis, bio-adsorbents, application of Density Functional Theory (DFT) to study reactivity and mechanism of organic reactions, organic synthetic methodologies, etc.

Faculty Members :

A. Dr. Dipanjali Pathak (HOD), Associate Professor, 21 Years

B. Dr. Sanjib Deury, Associate Professor, Teaching Experience 20Years

C. Dr. Hitesh Das, Assistant Professor, Teaching Experience 12 Years

D. Abdur Rezzak Ali, Assistant Professor, Teaching Experience 11Years

E. Dr. Nibedita Gogoi, Assistant Professor, Teaching Experience 1 year

F. Sameeran Kumar Das, Assistant Professor, Teaching Experience 1 year

G. Vacant.

DEPARTMENT OF COMPUTER SCIENCE

In the year 1999, Principal of M.C.College, Barpeta constituted a committee, namely “Computer-Zerox Committee” which was entrusted with the responsibility of conducting computer training programmes in the college. In view of growing need of computer education and to meet the challenge of time, the committee undertook different training programmes. Initially it started training programme in collaboration with EPITOME, for imparting computer education. From the session 2002-03 the Computer Science department started “Introductory Computer Science” in 10+2 level. A number of students from both Science and Arts stream selected this subject in 10+2 level. From the session 2004-05, department got the permission to start “Computer Science (General)” subject in B.Sc. course. Keeping in view the demand of computer education in post graduate level, department has started PGDCA course from the session 2005-06. From the session 2006-07, BCA course has been started. M.C.A., M.Sc(IT), PGDCA, B.Sc(IT) under IDOL, GU have been started from 2010-11.

Faculty Members :

Bidyut Kumar Das,

Teaching Experience: 18 Years

Shikha Rani Das, MSc(IT)

Teaching Experience: 03 Year.

DEPARTMENT OF ECONOMICS

Year of Establishment: Department of Economics was one of the first Departments to be established in the College in 1939.

Results: The Department is constantly showing good results in B.A. Final Examination of Gauhati University over the years. Each Year the Department is able to send a number of students to various universities including Gauhati University for higher study. The following table shows the number of first Class holders produced by the Department of Economics. Till now the department has produced 38 First Class Holders, most of whom has gone on to complete higher studies in various prestigious Universities of India.

Notable Alumni: Over the years the department has been able to produce students who has made their mark in professional field. Many of the alumnus of this department are placed in High Ranking Assam State Government jobs. The department has many alumnus who are placed in reputed organizations like Sate Bank of India, Union Bank of India, Department of Posts, Govt. of India etc along with Universities and Colleges. Some of the notable alumnus of the department are:

Departmental Library: The department has a well-equipped Library with around 300 Books. All the Major students are entitled to have books from the departmental library

Extension Activity: The Department of Economics, M.C. College has undertaken a Sample Survey on Urban Poverty in SC dominated Bhakat Para and Rayat Para area of Barpeta Town In 2012. It regularly undertakes various extension activities.

Wall magazine: The department has a wall magazine named 'Kautilya' which encourages students to write current topics on economy and also to undertake micro projects on their own under guidance from department teachers.

Faculty Members :

A. Sahjahan Ali Siddique, Associate Professor, Teaching Experience 29 Years

B. Krishna Das (HOD), Associate Professor, Teaching Experience 27 Years

C. Parthapratim Choudhury, Assistant Professor, Teaching Experience 12 Years

D. Pummy Sinha, Assistant Professor, Teaching Experience 1 year

DEPARTMENT OF EDUCATION

Year of establishment : 07-01-1976 . Commencement of Major Classes : 31-05-1992

The Department of Education, MadhabChoudhury College, Barpeta was established in the year 1976 with Higher Secondary classes (level). In its inception Mrs. Anjali Goswami was the founder teacher of the department, who later on became the subject teacher of a Higher Secondary school in Guwahati.

Official record of M.C. College revealed that as per the notification of Gauhati; University dated 09.09.1989 the subject education was approved by the university as one of core subject of the institution of higher learning.

But major courses started in the Department from the session 31.05.1992. In the first major batch (part II final examination) students appeared, out of which obtained second class i.e. cent percent success in the faculty although there were so many constraints of laboratory facilities along with other accommodations. We earned a First class in the year 2006 and with the constant hard work of the faculty together with the students, since 2009 we have been earning 1st class in remarkable number till date.

Faculty Members :

- A. Manavee Bardalai (HOD), Associate Professor, Teaching Experience 33Years**
- B. Nilima Nath, Associate Professor, Teaching Experience 29 Years**
- C. Gobinda Brahma, Assistant Professor, Teaching Experience 14 Years**
- D. Champak Deuri, Assistant Professor, Teaching Experience 13 Years**

DEPARTMENT OF ENGLISH

Year of establishment : 1939

UGC Sponsored seminar: In 2007 the dept. organized a UGC- sponsored State Level seminar on “ Ethnicity and Class Consciousness in Indian English Novels.”

Wall Magazine: The English Major Students publish a wall magazine in English.

Faculty Members :

- A. Anjana Bhattacharyya (HOD), Associate Professor, Teaching Experience 29 Years**
- B. Dilip Kumar Das, Associate Professor, Teaching Experience 27 Years**
- C. Dr. Indrajyoti Roychowdhury, Associate Professor, Teaching Experience 21Years**
- D. Dr. Bhatima Barman, Assistant Professor, Teaching Experience 2Years**
- E. Vacant**

DEPARTMENT OF GEOGRAPHY

Year of establishment : 07-01-1966.

The Department of Geography, M.C. College, Barpeta was established in the year 1966 of 6th of August, is one of the oldest Geography Departments of the state of Assam. The Dept was started with 'commercial Geography; as one of the subjects of Pre- University Course. Proff Ram Chandra Tiwari was the founder head and the Deptt. In 1971. At that period, there was a higher secondary section with a Students strength of 22 and three year Degree general course. The Department has a small laboratory.

Programmes Undertaken by the Geography Department in the last two years

On 3rd April, 2019 the Department of Geography, M.C. College, Barpeta had organized two lectures for celebrating North-East India Geographical Society's (NEGIS) Golden Jubilee. One of the main topic was (i) "Insurgency in North-East India" and the other was (ii) "Role of River in Geography". The resource person was DR. Prakash Sarma and DR Bikul Barman. On the occasion H.O.D. of the Geography Department of the college DR. Geeta Devee present a speech about the history of NEGIS. There were more than 40 attendees from the various semesters and H.S. levels. The Programme was organized to promote geography. In the last two years, the Geography Department has arranged some excursion as prescribed in the G.U. and H.S. syllabus. We conduct a field study to Tezpur and suburbs, Madan Kamdeva Temple (Baihata Chariali), Kapla Beel and bell metal industries of surrounding areas of Sarthebari for project report.

Faculty Members :

A. **Dr. Geeta Devee. (HOD) Associate Professor, Teaching Experience 36 Years**

B. Vacant

C. Vacant.

DEPARTMENT OF HISTORY

No. of Seats for Major classes in 1st semester : 40

No. of Seats for General Classes in 1st Semester : 160

DEPARTMENT OF ZOOLOGY

Year of establishment : 1959

The department of Zoology of M.C. College, Barpeta was established on the 1st of September, 1959. At the time of establishment of this department a large part of the lower Assam was totally lacking any facilities for Science education. At inception, this department started with a very few students, teachers and poor infra-structure. In the last few decades the department has been marching successfully on its determined path and has grown to be a large and prominent faculty of M.C. College, Barpeta. At present the department is accommodating numbers of students in each Major semester besides the students opting Zoology as a general subject.

The department was founded with three teachers, namely R. K. Singh, H.H. Singh and P.N. Singh. Theory and practical classes were conducted in only two rooms in the present Anthropology block. The department was shifted to the present building in 1966. Presently the department has 5 classrooms, 2 practical laboratories, 2 well equipped research laboratories, 1 well maintained museum and 1 staff room. The department also has a library with a good collection of books. At present the department has a faculty of 6 teachers and 3 laboratory bearers.

Since its inception, the department of Zoology has been marching forward aptly fulfilling its promises by providing the students of this locality with best facilities of learning in the field of zoology and achieve excellence in the field of reality.

The Honours course in Zoology in three-year Degree Course was introduced in 1977. There were five teachers at that time. The 1st batch had only three students.

Activities:

The teachers as well as students of this department have been actively taking part in solving the problems of the society. The students are motivated to become self reliant and shouldering the social responsibilities in the field of education and research. The teachers and students are also related to various NGOs and social bodies actively engaged in spreading scientific knowledge in the society through participation or organization of seminars, workshops, popular talks, etc.

We are conducting Six months diploma course in Agro technology comprising-

1) Bee keeping, 2) Aquarium manufacturing., 3) Aromatic oil extraction.,4) We are producing honey, aquarium and chetronella oil.
