Report of the webinar on “Biodiversity and NE India”:

Department of Botany in collaboration IQAC of the college celebrated the World Wildlife Day on 2nd march, 2022 by organising a webinar on “Biodiversity and NE India”. Dr. Prakash Sarma, Principal of the college inaugurated the programme in presence of a number of participants both in online and offline mode. Several participants from different parts of the country attended the programme virtually, whereas, few faculty members and all students from the department of Botany attended the programme physically.

Dr. Rajib Gogoi, Scientist-E, Head of Office, BSI, Sikkim Himalayan Regional Centre, India delivered his talk virtually as resource person in the programme. He emphasized on the exploration and conservation of phytoresources of NE India in particular and bioresources in general. He also hinted about the job opportunities in the field of life science in the special geographical area like north-east. Dr. Gogoi advised the students to come forward for extensive research, exploration and conservation related works in the field of life science in this part of the country. His talk was followed by a good interactive session.

Dr. Dip Kr. Bhattacharjya, Head of the department acted as moderator in the programme.

Report of the program:

Department of Botany organised a series of popular talks under the banner ‘**Sanskar: Manuhe Manuhar Babe**’ from 09-02-2021 to 12-02-2021. This programme was catalyzed and supported by Assam Science Technology and Environment Council, Dept. of Science and Technology, Govt. of Assam. Several topics such as Traditional Belief System and Superstition, Health Hygiene and Associated Superstitions, Superstitions were covered with an aim to aware students and all other stakeholders regarding the prevailing superstitious beliefs related to witchcraft, health & hygiene, agriculture and snake bite.

The first talk was organized on 9th of February at M.C. College, Barpeta on the topic ‘Traditional Belief System and Superstition’. Dr. Abani Kr. Bhagabati, Professor, Department of Geography, Gauhati University, was invited as the Chief Guest and Speaker for the talk.

The second talk was organized on 10th of February at Juroram Pathak Girls High School, Barpeta, Assam on the topic ‘Health Hygiene and Associated Superstitions’. Dr. Priyambada Das, senior Doctor and environmentalist, Barpeta Road, Barpeta, Assam was invited to deliver the talk.

The third talk was organized on 12th of February at Barpeta Town High School, Barpeta, Assam on the topic ‘Superstitions’. Dr. Dip Kr. Bhattacharjya, Assistant Professor, Department of Botany, M.C. College, Barpeta was invited to deliver the talk. Dr. Bhattacharjya discussed about the superstitions associated with snake bite and witchcraft prevailing in our society. The fourth and the last talk was also delivered by Dr. Dip Kr. Bhattacharjya on 12th of February at Sundaridia High School, Barpeta, Assam on the topic ‘Superstitions’.

**One day national webinar on
“Challenges in higher education: A post pandemic technology solution”**

Organised by

PG Department of Botany, MC College, Barpeta (Assam)

Date: 27 August, 2020

The programme was organised by the Department of Botany of the college. Dr. Prakash Sarma, Principal of the college inaugurated the webinar by giving a brief inaugural speech. Prof. Partha Pratim Baruah, Department of Botany, Gauhati University, Guwahati, Assam and Dr. Kedar Chintaman Ahire, Ph.D. (Microbiology), Assistant Professor, Department of Zoology, Savitribai Phule Pune University, Pune, Maharashtra were present in the programme as the Resource person. Each of them delivered valuable talk in different technical sessions. Their talks were followed by an interactive session. A good number of participants from different parts of the country participated in the webinar. Mrs. Kaberi Saikia Das, Head & Associate Professor, PG Dept. of Botany of the college gave vote of thanks at the end of the programme.

An invited talk cum seminar on “Effect of plastics on environment and wildlife” was organized on 5th of December, 2019 by Eco Club, Madhab Choudhury College unit at St. Teresa English Medium School, Barpeta. Students and teachers of H.S section participated in the talk. The talk was given by Dr. Chiranjit Baruah and Dr. Hitesh Das of Madhab Choudhury College, Barpeta. Dr. Baruah delivered his lecture on the effects of plastics on wildlife community all over the world. He stated that human actions threaten wildlife in two main ways: by destroying and damaging the places where species live, and by using them in ways that are unsustainable. He talked about the growing use of plastics and its impact on environment and human health.

A Report on

Outreach Programme among School Students

Organized by Department of Chemistry, M.C. College, Barpeta

"Catalyzed and supported by Assam Science and Environment Council and Dept. of Science & Technology, Govt. of Assam"

Title: 'Students' Scientific Seminar on Active Learning of Science'

Venue: M.C. College, Barpeta

Date(s): 27th & 28th of February, 2019

Coordinator: Sameeran Kumar Das, Asstt. Prof., Dept of Chemistry

1. Name of the participating schools: Total 7 (seven) schools

- i) St. Teresa's English Medium School, Barpeta
- ii) Barpeta Govt. Higher Secondary School
- iii) St. Paul's English Medium School, Barpeta
- iv) Shankardev Vidya Niketan, Barpeta
- v) Barpeta Vidyapith H. S. School
- vi) Juroram Pathak Girls' High School, Barpeta
- vii) Asom Keshori Jatiya Vidyalaya, Barpeta

2. Name and brief introduction of the resource persons:

The Resource persons were experienced teachers of M. C. College, Barpeta. The names of the Resource persons are Mr. Binoy Kumar Basumatary (Zoology), Dr. Malay Kumar Barman (Physics), Dr. Sanjib Deuri (Chemistry), Dr. Tapashi Das (Physics), Mr. Arjun Adhikari (Botany).

3. Objective and outcomes of the programme:

As sanctioned by ASTEC (Letter No. ASTEC/ENV/1894/2018/3693, dated 17/11/2018), the Outreach Programme among the school students was organized on 27th and 28th of February, 2019 by the Dept. of Chemistry, M.C. College, Barpeta. The programme was named as 'Students' Scientific Seminar on Active Learning of Science' and was coordinated by Mr. Sameeran Kumar Das, Assistant Professor, Dept. of Chemistry, M. C. College. The main aim of the programme was to make the students interested in Science based on their school curriculum topics. Total 30

Co-Ordinator,
Internal Quality Assurance Cell
Madhab Choudhury College
Barpeta

Principal,
Madhab Choudhury College
Barpeta

(Thirty) students from seven different nearby schools have participated in the programme. All the students were from class- IX standard. The organizers have planned a series of lectures and hands-on practices for the students based on class-IX science textbook on the topics of Physics, Chemistry and Biology (Zoology and Botany). The students were given lectures on the topics by Resource persons. The details of the chapters/topics are enlisted below.

- i) Matter in our surroundings
- ii) Structure of matter: atoms and molecules
- iii) Motion, force, laws of motion, work and energy
- iv) Gravitation and sound
- v) The fundamental unit of life-Plant cells and tissues, Diversity in living organisms
- vi) Animal cells and tissues, Diversities in animal kingdom
- vii) Hands on practices in chemistry
- viii) Hands on practices in Physics
- ix) Hands on practices in Biology (Botany and Zoology)

The two days Outreach Programme was started on 27th of February, 2019 at the Digital classroom of M. C. College. The inaugural session was held at 9 AM which was hosted by the coordinator Mr. Sameeran Kumar Das. The welcome address was given by Dr. Dipanjali Pathak, Head, Department of Chemistry, M. C. College. The outreach programme was inaugurated by Dr. Smita Srivastav, Eminent Doctor, Barpeta. In the inaugurating speech, she motivates the students to learn Science and to improve their thinking with new knowledge. Dr. Pankaj Gogoi, Project Scientist, Outreach Programme, Environment Division, ASTEC joined the inaugural session and interacted with the students as well as with the teachers. After the inaugural session, the main technical sessions were begun. The students have actively participated in the programme. During the Botany and Zoology hands-on sessions, the students were familiarized with different plant as well as animal species and also with the microscopic world. During the Chemistry laboratory session, they were given specific training on separation of solvents, mixtures, chromatography, identification of radicals (acid/base) etc. During the Physics laboratory, the students were trained with experiments related to sound, motion, light etc. During all the hands on training, the students were allowed to carry on the experiments themselves under proper guidance of the resource persons. . They were delighted during the hands-on training session.

Report of the programme:

A three day workshop on "Hands on training on Python" has been organised by the Department of Physics in collaboration with IQAC, Madhab Choudhury College, Barpeta from 9th to 11th January, 2022. The resource persons of the workshop are Dr. Nairit Barkataki, Assistant Professor, USIC, Gauhati University and Dr. Rajdeep Choudhury, Guest Faculty, USIC, Gauhati University. The workshop was organised for the benefit of Undergraduate Physics Honours students to learn python programming. The number of participants on 9/01/2022 is 34, on 10/01/2022 is 32 and on 11/01/2022 is 26. The joint conveners of the workshop are Mrs. Archana Das and Dr. Tapashi Das of Physics Department, Madhab Choudhury College, Barpeta.
