(Thirty) students from seven different nearby schools have participated in the programme. All the students were from class- IX standard. The organizers have planned a series of lectures and hands-on practices for the students based on class-IX science textbook on the topics of Physics, Chemistry and Biology (Zoology and Botany). The students were given lectures on the topics by Resource persons. The details of the chapters/topics are enlisted below.

- i) Matter in our surroundings
- ii) Structure of matter: atoms and molecules
- iii) Motion, force, laws of motion, work and energy
- iv) Gravitation and sound
- v) The fundamental unit of life-Plant cells and tissues, Diversity in living organisms
- vi) Animal cells and tissues, Diversities in animal kingdom
- vii) Hands on practices in chemistry
- viii) Hands on practices in Physics
- ix) Hands on practices in Biology (Botany and Zoology)

The two days Outreach Programme was started on 27th of February, 2019 at the Digital classroom of M. C. College. The inaugural session was held at 9 AM which was hosted by the coordinator Mr. Sameeran Kumar Das. The welcome address was given by Dr. Dipanjali Pathak, Head, Department of Chemistry, M. C. College. The outreach programme was inaugurated by Dr. Smita Srivastav, Eminent Doctor, Barpeta. In the inaugurating speech, she motivates the students to learn Science and to improve their thinking with new knowledge. Dr. Pankaj Gogoi, Project Scientist, Outreach Programme, Environment Division, ASTEC joined the inaugural session and interacted with the students as well as with the teachers. After the inaugural session, the main technical sessions were begun. The students have actively participated in the programme. During the Botany and Zoology hands-on sessions, the students were familiarized with different plant as well as animal species and also with the microscopic world. During the Chemistry laboratory session, they were given specific training on separation of solvents, mixtures, chromatography, identification of radicals (acid/base) etc. During the Physics laboratory, the students were trained with experiments related to sound, motion, light etc. During all the hands on training, the students were allowed to carry on the experiments themselves under proper guidance of the resource persons. . They were delighted during the hands-on training session.

Barpeta

Barpeta. Dr Srivastava stressed upon the need to maintain a healthy lifestyle. Thereafter a health check-up for women and children was conducted. Quite a number of women and children consulted Dr Srivastava on various health issues. Free medicines were also distributed among them.

4. Sanitizer Preparation by Department of Chemistry, Madhab Choudhury College, Barpeta in association with Barpeta Police during covid-19 on 29.03.2020:

There had been an acute shortage of sanitizer in the Barpeta town and its neighbouring localities due to sudden increase in the demand of hand-sanitizer during the first wave of covid-19 epidemic. Frontline workers were in dire need of hand-sanitizer but the supply was very limited or close to none. We, the department of Chemistry, Madhab Choudhury College, Barpeta prepared 200 sanitizer bottles using the WHO recommended method in association with Barpeta police. These sanitizer bottles were used by the police personnels engaged in covid duty. We exhausted the whole stock of alcohol, glycerol and hydrogen peroxide chemicals required for the preparation. Dr Robin Kumar, IPS, Superintendent of Police, Barpeta and Samiran Baishya, Additional Superintendent of Police, Barpeta were also actively engaged with this drive.

13. Practice Teaching Classes as extension activity in nearby schools undertaken by the Department of Education

To,

The DEEO, Barpeta

Through the Principal, M.C. College, Barpeta.

Date: 18/05/22

Sub:- Prayer for permission to do the practice teaching classes (Extension Activity)

Sir,

I have the honour to inform you that as per Gauhati University Syllabus, the 6th Semester Students in Education (RC) will have to do the Practice teaching classes in nearby schools. i.e in paper Edu-SE-6014 (Developing teaching skill). So, a Photo Copy of syllabus and list of students are enclosed herewith for the same.

I therefore, request you to kindly allow to do the practice teaching classes under the following schools.

Thanking You.

Yours Faithfully

regarding proposed visit to IITG
on 30.05.2022 Add label

IITG Outreach Office 3 days ago
to me

Dear Sir,

Your request for visit has been approved by the competent authority of the Institute. Your visit to Social Science Department and Central Library has also been verbally approved. In this regard we wish to know the time at which you are expected to reach our institute, based on which we will prepare a time schedule for the visit. Also, please provide your mobile number so that we can directly contact you.

Regards,
Office of the Dean of Outreach Education
