

Visit to **"Raimona National Park"** Kashugaon,
Kokrajhar

Date- 15-11-22

Department of Zoology, M. C. College, Barpeta

The department of Zoology organised field visit to 'Raimona National Park' situated at Kashugaon, Kokrajhar District on 15th November 2022. This trip was organised to fulfil the requirement of B.Sc 1st Semester course. The visits provide generous perspective to nature, its habit and habitats. Students can gain knowledge about diversity, wild nature of living and co-evolution among different animal diversity in a particular area. It will provide better look for further research. At the end they shall submit the field study report which will consider for continuous evaluation process.
