

## ACTION TAKEN REPORT

Date: 07-05-24

Introduction: In response to feedback received from various stakeholders for the session 2023-24, a thorough analysis was conducted to identify areas for improvement.

Action Taken:

Based on the feedback analysis, the following actions have been initiated:

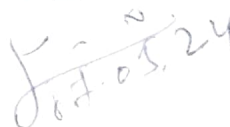

1. Expanding book availability and enhancing internet connectivity could further enrich students' learning experience.
2. Necessary resources should be allocated to initiate the expansion process, including funds for infrastructure development and procurement of equipment.
3. Provide additional student engagement programs, such as internships and field visits, which may further support academic and career growth.

**Outcome:** A steady flow of students' and upgraded library facilities have improved the learning environment considerably. Students' participation and exposure to various cross cutting issues of gender, environment sustainability, professional ethics etc. could be seen.

**Conclusion:** The successful implementation of this initiative demonstrates our commitment to continuously improving the learning environment and meeting the evolving needs of our educational community. We will continue to monitor feedback and make further enhancements as necessary to ensure an optimal learning experience for all.
