M.C. COLLEGE, BARPETA  
(Dr. Madhab Choudhury)

been undergoing a relentless process of growth. Born as an Arts college, M.C. College introduced its science stream in 1959. After 84 years of its glorious existence, Madhab Choudhury College has become the hub for educational excellence, fostering its vision and mission in tune with the objectives of Higher Education of the nation.

Whereas, the **DCH, Khetri and M.C. College, Barpeta** share a common goal to explore, extend and strengthen the functional relationship in academics and through other R & D ventures.

The **DCH, Khetri and Deptt. of Botany as the Nodal Deptt., M.C. College, Barpeta** in order to share the facilities & explore available resources in each other's institution herewith sign a Memorandum of Understanding (MoU).

## 2. PURPOSE AND OBJECTIVES

The purpose of the MoU is to create a common framework and a platform for collaboration with specific objectives as given below:

- I. To establish a close linkage and functional coordination between **DCH, Khetri and the Deptt. of Botany as the Nodal Deptt , M.C. College, Barpeta;**
- II. To share access to both conventional and digital library facilities;
- III. To facilitate joint projects for conduct of research, training and consultancy with industries/departments in Assam, India and abroad;
- IV. To facilitate creation/development of new experimental and research/training facilities through mutual co-operation through exchange of experts etc.;
- V. To avail accommodation of facilities like stadium (Indoor & Outdoor), auditorium, Seminar Halls, laboratories etc.;
- VI. Any type of expenditure incurred through the joint programmes held under this MoU will be borne as per mutual agreements which will be made on case to case basis. Otherwise each of the parties shall meet the expenditure from their own sources;
- VII. To set a long term institution-industry partnership by providing training, exchanging faculty and personels, conducting workshop and seminar etc.
- VIII. To provide sufficient knowledge and skill to the students of both the institutions.
- IX. To provide hands on training to the students of both the institutions for enhancement of their skills in various aspects of horticulture.
- X. To ensure technical support to the faculties and stakeholders for setting up small scale/ large scale nursery for teaching learning process.
- XI. To exchange study materials and intellectual expertise between both the institutions for skill enhancement papers of CBCS syllabus and other relevant diploma, certificate and ad hoc course etc.
